

## Play With Your Friends in Foundry VTT (For Free!)

Of course, what would a Battlezoo April Fool's Day release be without a Foundry module or two? Head on over to <https://foundryvtt.com/packages/battlezoo-ancestries-fusions> to download the module for both 5<sup>th</sup> Edition and Pathfinder 2<sup>nd</sup> Edition, or simply install the module within Foundry itself. Just search for "Battlezoo Fusions" and you'll be ready to play with your friends!
